

## **HEFT Consulting attendance at Board Meeting 17/12/09**

### **Request**

In the Leicestershire Partnership Board minutes dated the 17<sup>th</sup> December 2009, Beccy Fenton and Helen Mundy from HEFT Consulting are listed as attending this meeting.

Was a contract awarded to HEFT Consulting and if so, when was it awarded and what was this for? Was any other contract awarded to another organisation jointly with HEFT Consulting at the same time?

### **Our Response**

No contract was awarded by LPT to HEFT Consulting. However, in an effort to be helpful, I can confirm LPT were named within the following SHA tender; Tender Ref: T/SHA/008 - For the Provision of a Diagnostic of Aspirant FT organisations in the NHS East Midlands, which was won by HEFT through a competitively tendered exercise. If you wish to contact NHS East Midlands you will find more information on how to do this at: <http://www.eastmidlands.nhs.uk/about-us/access-to-information/>
