

## **Structure for HR, Learning & Development and Workforce Departments**

### **Request**

Can you please provide me with a detailed structure of your HR, Learning & Development and Workforce departments?

### **Our Response**

As a result of the Transforming Community Services initiative we are currently undergoing restructure. Transforming Community Services is a national programme to transfer the management of community health services from commissioning Primary Care Trusts to a range of other provider organisations. In Leicester, Leicestershire and Rutland a significant number of these services and staff transferred to LPT on 1 April 2011. Further information can be found at: <http://www.leicestershire.nhs.uk/Larnet/webs/LPT/Whoweare-TransformingcommunityservicesTCS.aspx>

Therefore, please find enclosed 3 x HR structures currently in place, together with the Workforce and Learning & Development structures in place at 31 March 2011.
