

Common Purpose Invoice

Request

Can you please send me a copy of the invoices please, plus I would like to know who authorised for the two staff members to undertake the CP courses and their relationship to Mr Sheehan.

Our Response

Please find attached a copy of the invoice, as requested, which was authorised by Jackie Ardley, Director of Quality, Performance and Planning. Please also find copies of the Executive Team, Operational Services and Quality, Performance and Planning Directorate Structures which show the various relationships within the organisation.
