

WiFi services at Leicestershire Partnership NHS Trust: May 2015

WiFi access is now available in most Leicestershire Partnership NHS Trust wards (see list below) and you can access the internet via WiFi on a laptop or mobile device.

This is a pay as you go service from WiFi Spark and you can buy three hours, a day, a week's or a month's wi-fi access by entering your credit or debit card details on the landing page.

Costs

Prices for access to the WiFi service are:

£3.20 for three hours of access
£6.00 for one day of access
£12.00 for a week of access
£15.20 for a month of access

Please note, these durations refer to elapsed time, and not the time spent online.

How to access

WiFi AVAILABLE

- 1. Enable your WiFi**
Check the WiFi is turned on within your smartphone, tablet, laptop or other WiFi enabled device.
- 2. Connect to the network**
Select the WiFi SPARK network from the choice of networks available.
- 3. Open your Web Browser**
Open up the Internet Browser on your device. (e.g. Safari or Internet Explorer) You will then be redirected to a Welcome Portal where you can select an option to sign in. If you are not automatically redirected, type www.bbc.co.uk into your address bar and this should force the redirection to the Portal.

Stuck? Give us a call!

The service is very easy to use. All you need to do is:

- Make sure you are within range of one of the many WiFi hotspots in our wards.
- Enable your WiFi connection and choose the WiFi Spark network.
 - If you are a new user, please select the Buy Time option. You will be asked to choose the time required, a memorable username and password and then taken to a secure gateway where you can use a credit/debit card to purchase time.
 - If you already have a username and password select the Login option and type in your unique username and password.
 - You will then be able access the internet and use email.

Please note that the security of your device is your responsibility, and we recommend that your firewall and antivirus software is correctly configured and up to date.

If you are encountering any problems, please call the WiFi Helpdesk: 0344 848 9555
